The Nepalese Association in Southeast America (NAsEA) and the Association of Nepalese in Midwest America (ANMA) are announcing the annual elementary school student “Show and Tell” contest open to all elementary school student living in North America.

It is very important that we continue to keep our children aware of their Nepali origin and strive to keep them aware of Nepali culture. The earlier this awareness is inculcated, the better it is. Therefore, the goal of the writing contest is to increase awareness of Nepali heritage among our young generation.
